OBIEE 12c Repository (RPD) Modeling

Course Overview

No prior experience with the OBIEE 12c Repository (RPD)? Then this is the course for you. In two days, you'll get an in-depth look at the principles and functionality of RPD design in OBIEE 12c.

All of the information presented in this course is still relevant for those who are on an earlier version of OBIEE.
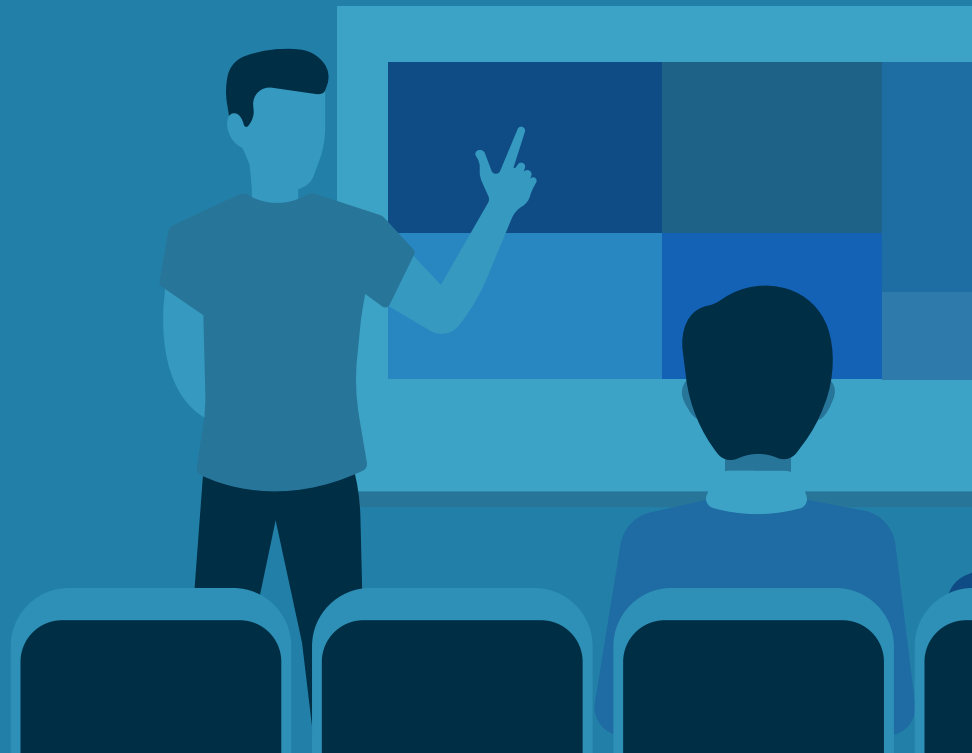

Who Should Attend?
Developers, Tech Leads

Previous Knowledge
None Required

Duration
2 Days
